**Liturgical Lesson-** Processional Cross- Long before Christianity, standards were carried to rally and lead armies in to battle. Roman army standards were symbols of honor, held in awe and fiercely protected. The standards were carried by officers so the troops could see them above the action. This helped the soldiers to stay close to one-another and hold their positions.

For Christians, St. Augustine, first archbishop of [Canterbury](#) is often credited as introducing the concept of a **Processional Cross** in the 6<sup>th</sup> century, using it like a military standard to lead the procession in some of the church rituals.

### VBS News

THANK YOU to EVERYONE who helped with VBS through your prayers, teaching, time, writing letters and donations. We ministered to an average of 88 children each day with 40 helpers. Please continue to pray for all those children who heard the message of salvation each day.

### Christmas in July

September will quickly be upon us, which will kick off our Operation Christmas child.

There are currently sales on school supplies especially at Walmart. Please think about taking advantage of these sales to help fill up the shoeboxes.

### Memorial Service for Elaine Breeding

The Memorial Service for Elaine will be held on Saturday, August 12<sup>th</sup> at 11:00 am. We will have a luncheon to celebrate her life following the service.

### Can you spare a few hours?

A number of rooms in the church are in need of a fresh coat of paint. Supplies are provided and hours are flexible, we simply need willing and able bodies. Contact Jen Frey at 240-401-5570 or [jenniferhfrey@gmail.com](mailto:jenniferhfrey@gmail.com) if you are able to help. Thank you!
